

Your day with Steve (Primary Schools)

Steve, his assistant, and guide dog Foster will arrive at your gates early, giving them enough time for a coffee, a chat with you and to set up. We can advise you on a typical day, but it really is up to you. Here is a menu of options:

Main assembly presentation	Time: 30-45 mins
<p>Pack your hall with pupils - we recommend Year 3 upwards - parents and staff, and they will all be captivated by Steve's astonishing story of success out of adversity. They will experience his challenges to break speed records on land and sea, then see his action-packed DVD featuring the week he captured the world's attention piloting a plane around the UK.</p> <p>But, as you all will learn, breaking records is easier than breaking the barriers we set ourselves in life.</p> <p><i>Note: we will need AV equipment to play DVDs to the audience</i></p>	
Class workshops (Year 3 upwards)	Time: 30-45 mins
<p>The focus moves to the pupils themselves, as Steve spends quality time with individual classes. We explore all their hopes, dreams, barriers and areas they want help.</p> <p>We capture all this information and leave you with a written profile on each pupil to build on over the school year.</p>	
Time with the younger pupils	Time: 10 Mins per class
<p>Steve will be happy to make brief visits to the classes of the youngest pupils, where they have the opportunity to meet Steve's lovely, friendly, cuddly guide dog Foster.</p>	
One-to-one time	No time limit
<p>Steve will be happy to make brief visits to the classes of the youngest pupils, where they have the opportunity to meet Steve's lovely, friendly, cuddly guide dog Foster.</p>	
Welcome to Steve's world	Time: 45-60 mins
<p>On come the blindfolds, as Steve teaches your pupils to play blind football or cricket. It's not only huge fun, but it teaches them the real need for teamwork and trust.</p>	
Special speaker	Total visit up to 6 hours
<p>Looking for a special guest to launch a new school project, or be part of your prize-giving/awards evening instead?</p> <p>Steve will give his main presentation to the audience, shake hands with prize winners, have photos taken, and stay on for an hour to meet and chat with parents and guests.</p>
