

## What pupils and students think of their day with Steve

He showed that whatever is put in your way there is a way around it. Don't let failure stop you.

Tierney

He made me realise that life can always put you down; you just need the confidence to get back up.

Connor

It would be inspiring even if he could see.

Lewis

I now appreciate every- thing that I have. You have really made me think and you are my inspiration.

Kyle

Thanks for coming to our school. When I grow up I want to be like you.

Josh

I've learned to work harder at things I am passionate about.

Hannah

I have obstacles to overcome in my life. After talking to Steve I understand how I can handle it better.

Chris

I've learned to never give up even if someone tells you that you can't do something.

Amy

If Steve can overcome difficulties whilst being blind and achieve so much, then so can I.

Alys

He helped to encourage and motivate me to try new experiences and be happy with who I am and what I've got.

Rhiannon

Today someone reached me in a way I would never have expected. I REALLY know now that I can achieve anything I want!!

Frank

You are the first one to make me understand that the only person I should focus on is me and to ignore people who try and put me down.

Kelsea

This is going to motivate me even more to get the grades I need for college. Brilliant. Thanks so much Steve.
