STEVE CUNNINGHAM

Inspirational & Motivational Speaker

What teachers, heads and principals think about Steve

I asked children what they remembered and they listed at least 20 things about his ABILITIES. No one commented he was blind, which shows just how inspired they were by him as the amazing individual he is.

Debra Massey, Howe Dell School

Steve kept an audience of over three hundred children and adults spellbound.

John Baugh, Dragon School

It was a fantastic day and a brilliant opportunity to meet such an inspirational character.

A real find, what a gem. Brilliant value for money. The connection was instant, and impact will be very significant and sustained. If you are thinking of getting in a motivational speaker to work with your staff, parents and pupils, then look no further. The feedback from pupils and their teachers has been without exception excellent. We want him back as a college and as a city, and we will."

Steve Frampton, Principal, Portsmouth College

The workshops were brilliant… I would recommend Steve as a source of inspiration and motivation to any Year group in a school.

James Haden-Walker, Kingsbury School

WOW! Thank you! I've booked some great guest speakers in my time, but you've now left me with a huge problem – how on earth do I top that next year?! Can't wait to have you with us again.

Sue Ricketts, Holmesdale Technology College

Steve was absolutely fantastic and thoroughly enjoyed by the pupils and staff alike. He had the groups full attention for the whole time.

Mairi MacNaughton,
Beechwood Park School

It was one of the most inspirational days I think I have ever experienced throughout my many years of teaching. I don't know if there was a dry eye during morning assembly!

Helen McClure, Solefield School

Steve's witty, articulate and funny story of true vision really captivates pupils."

Peter Norman, Waddesdon CE
